## **1974 – 2024 Michael Minieri Celebrating a 50 Year Career**

The staff of Minieri Associates International Security Consultants is celebrating the 50<sup>th</sup> anniversary of its founder's career. Michael Minieri began protecting lives and property in 1974 as a security guard while first attending college. He remains actively involved in the business serving as Principal.

*"I plan to continue my work for as long as my brain and body remains optimal. I love it! After that, I plan on more time fishing."* Minieri stated.

During his long career, he has lived in 5 countries and visited 37 countries including projects in North America, South America, Europe / UK, the Middle East, Asia and Africa. Minieri has received numerous awards and achieved certifications as CPP, CSC, CET, CPOI, CCO, CST, CSM and RAM. A major national industry publication once called him *"...one of the most prominent people in the industry..."* in a cover story and interview. He has served as an Expert Witness in nearly a dozen cases on the subjects of physical security, life safety and fire protection.

Michael Minieri continues to travel globally from his current base in the Philippine Islands and is extensively involved in writing organizational Security Policies and related documents, which are done remotely for the most part.
