Minieri Associates Releases
“Anti-Terrorism Security 101”

Minieri Associates, the global security consulting firm, has released a paper entitled “*Anti-Terrorism Security 101*”. Longtime industry veteran Michael Minieri describes the paper as “*a very brief primer highlighting several fundamental issues that might help explain the security failures apparent from reports of recent terrorist attacks including Paris, Jakarta, Burkina Faso, and others*”.

“*Anti-Terrorism Security 101*” is available as a PDF free on the **DOWNLOADS** page of their website (www.MinieriAssociates.com)
